Mail Ballot Voters

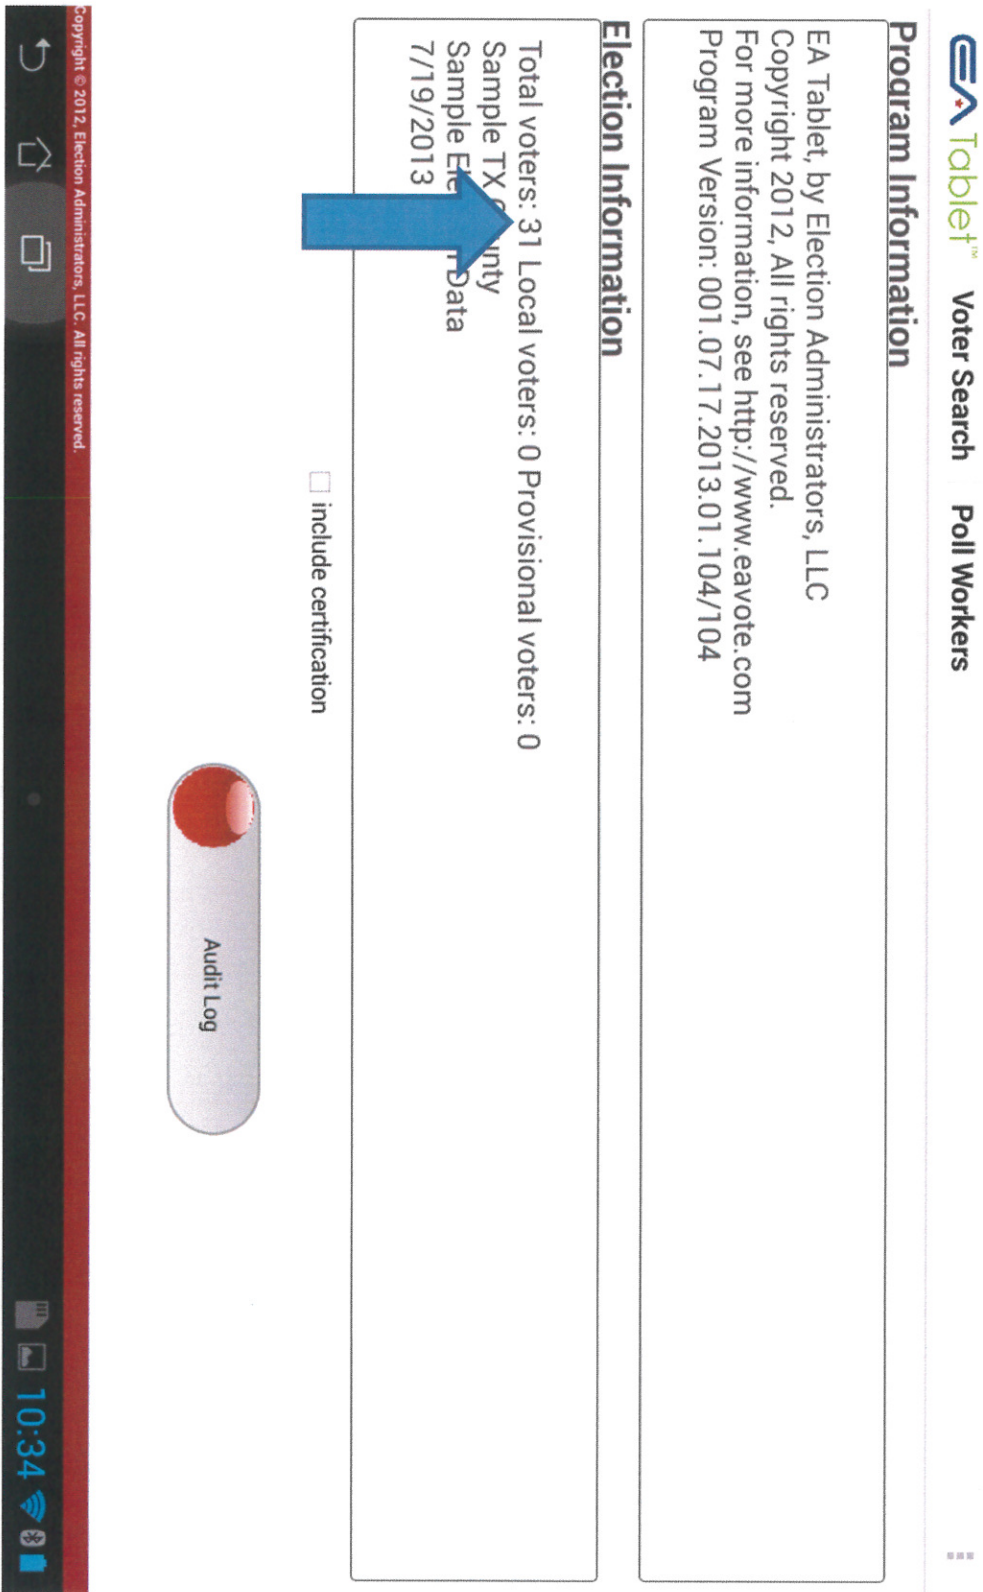

During Early Voting: Voters with a status of “Voter has already voted in this election” next to the Status line with a location of “Mail Ballot” are mail ballot recipients. Please contact the Election Department for assistance in cancelling mail ballots and un-issuing the “voter credit” on the pollbook. The voter will have the option to vote by completing the Request to Cancel Mail Ballot and returning the mail ballot to the early voting clerk. If the voter states he has not received the mail ballot, we must verify whether it has been returned to the County Clerk. If unable to verify at the time voter appears at the polls, voter must vote provisionally.

On Election Day: Voters with a status of “Voter has already voted in this election” next to the Status line with a location of “Mail Ballot” are mail ballot recipients. The voter will have the option to vote by completing the Request to Cancel Mail Ballot and returning the mail ballot to the Election Judge. If ballot is not presented to Judge for cancellation, voter must vote provisionally.

QUALIFYING VOTERS

Voter Qualification Slips

- After a voter is signed in, the poll worker assigned to the pollbook will write the voter's PRECINCT NUMBER and BALLOT STYLE number on the Voter Qualification Slip.
- The poll worker will then hand the Voter Qualification Slip to the voter.
- The voter will give the slip to the poll worker who is activating the Ivotronic touchscreen to ensure the correct ballot style is accessed for that particular voter.

The image shows a 'Voter Qualification' slip form. At the top left is the official seal of the State of Texas, featuring a five-pointed star surrounded by the words 'THE STATE OF TEXAS' and '1845'. Below the seal, the title 'Voter Qualification' is printed. The form contains two lines for text entry: 'PRECINCT NO: _____' and 'BALLOT STYLE: _____'. The entire form is enclosed in a dashed rectangular border.
